

# Resources for Persons with Brain Injury and their Families and Service Providers

A series of educational materials about TBI and available services are available without charge at [www.Michigan.gov/tbi](http://www.Michigan.gov/tbi); or may be ordered using this form. An updated Michigan Resource Guide will be available in the Fall of 2007.

RESOURCES FOR PERSONS WITH TBI AND THEIR FAMILIES	QTY
<i>Michigan Resource Guide for Persons with Traumatic Brain Injury and their Families</i> * (A 72-page directory of resources for a wide variety of services that may be needed by a person with TBI or family members.)	<input type="checkbox"/>
<i>Resources for Persons with Brain Injury and their Families</i> * (A tri-fold brochure that provides an overview of TBI and available support services.)	<input type="checkbox"/>
<i>Resources for Veterans with Brain Injury and their Families</i> (A tri-fold brochure that provides an overview of TBI and available support services specific to veterans.)	<input type="checkbox"/>
RESOURCES FOR SERVICE PROVIDERS	
Traumatic Brain Injury Online Training for Service Providers as a CD version of the online training course. (NOTE: Providers may earn continuing education credits only through the online version at <a href="http://www.mitbitraining.org">www.mitbitraining.org</a> .)	<input type="checkbox"/>
<i>Access Guidelines to State Services for Persons with Traumatic Brain Injury</i> (A 40-page guide designed to help providers know when and how to direct persons with TBI to other agencies and to ensure access and coordination of services.)	<input type="checkbox"/>
<i>Traumatic Brain Injury Provider Training Manual</i> (A 53-page training manual containing resource materials and hands-on tools to assist public service providers to better serve individuals with brain injuries and their families.)	<input type="checkbox"/>
<i>Important Information about Working with Persons with Brain Injury and their Families</i> (A tri-fold brochure that provides assessment considerations and resource information for providers.)	<input type="checkbox"/>
